

**DECEMBER
DENTAL
SPECIAL
\$140**

Our veterinarians conduct comprehensive oral exams that include an evaluation of oral function, symmetry, and the alignment of incisors and molars as part of all dental floats.

Call 813-643-7177 for more information and to schedule your horse's dental appointment!

Or, use our online appointment request at BrandonEquine.com

Save the trip fee by hauling into the clinic

Protect your horse from mouth related pain and illness with twice yearly oral exams by a Brandon Equine veterinarian.
